EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application is in condition for allowance except for the presence of claims 30-39 directed to non-elected species without traverse in the response filed on 10/19/2005.

Accordingly, claims 30-39 have been canceled.

Allowable Subject Matter

2. Claims 1-29 are allowed.
3. The following is an examiner's statement of reasons for allowance:
4. The prior arts of record do not anticipate or render obvious to one skilled in the art an array substrate for a liquid crystal display device or a method for fabricating such a device comprising various elements as claimed, more specifically a data line crossing the gate line to define a pixel region including a transmissive portion and a reflective portion, the data line being divided into first and second branch lines, the first and second branch lines being spaced apart from each other and disposed in the reflective portion of the adjacent pixel regions, respectively and a reflective corresponding to the reflective portion and covering the first and second branch portions are considered novel when including all other limitations.
5. US 2005/0018113 is related to a transfective display wherein the pixel structure defined by the gate and data lines comprising a reflective cell including a transistor and a reflective electrode and a transmission cell including a transistor and a transmissive electrode. US 2004/0239846 is related to a transfective display includes at least a transmission pixel region and at least a reflective pixel region wherein the reflective

electrode of the reflection region and the transmissive electrode of the transmission region are controlled by independent switching elements. US 2004/0201803 is related to a transflective display device.

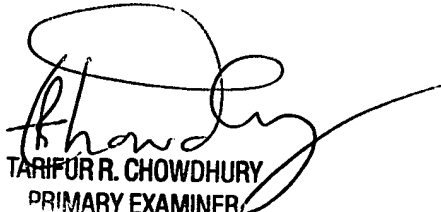

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
